At times, connecting between my home school and virtual learning has been confusing, but reaching out has helped make everything clearer. I have had nice teachers and am comfortable in my classes. I would like to say people are making the best of things; quadmesters speed everything up, but I haven't felt as if my learning has been compromised.

Absolutely hate it. Have never felt this demotivated, and really miss seeing my friends each day, even when we had a bit of in person time a couple months ago. I've never done this badly at school, and never cared this little about how bad I'm doing. School doesn't feel like school, it just all feels like homework, which I absolutely hate.

I'm of the belief that at this point, it's
